

NATIONAL SNAFFLE BIT ASSOCIATION TRAINER SALE

I, _____ hereby donate one month's training and board to the NSBA. I understand that this donation will be sold to the first NSBA member paying \$500.00 to the NSBA. This money will be used to help fund the NSBA Trophies.

Your donation will be renewed automatically each year by the NSBA unless we get a **written request** to withdraw your name. We will notify you each year when your training sells and we will also tell you who purchased it.

If a trainer wishes to offer this service to one of their existing customers for \$500.00, that option is available; however payment must be received in order to honor this training. The office cannot hold a trainer's sale without some form of payment. Trainers also have the option of purchasing their own service as well.

As a special thank you, all sold trainers as of June 1st will have their names placed in a drawing for a free life membership to the NSBA, to be drawn at our awards banquet. Also, first time trainers who sell will receive an NSBA bronze trophy for their participation in this program.
