Founded in 2005, Partners For Progress NFP (PFP) continues to evolve with the ever changing world of dynamic abilities. As a holistic, therapeutically goal-oriented program, PFP works endlessly to aide individuals to achieve their greatest independent potential.

Their goal-oriented therapy programs and tracking processes assist participants in overcoming fears, breaking down walls, and achieving monumental milestones through the hierarchy of development, community engagement, and quality of life. By providing high quality care through best practices therapeutic interventions, opportunities for inclusivity throughout the life span can be discovered and implemented.

Partners For Progress supports a National Traveling Show team that participates in competition with the National Snaffle Bit Association (NSBA) and the American Quarter Horse Association (AQHA). PFP is the only therapeutic riding center within the states of Illinois and Wisconsin with such a team. Additionally, a Special Olympics riding team is supported. All exhibitors, excluding Walk Trot exhibitors, who earned a top ten placing in the NSBA portion of a Horsemanship class at one of NSBA's alliance breed organizations' Championship shows, or at the NSBA World Championship Show in 2023, are invited to participate.

Every reasonable attempt will be made by show management to accommodate horses and exhibitors showing in conflicting arenas. Arenas will not be held due to conflict. Exhibitors may have to choose which class to participate in and which to forego. Refunds will not be given in the event of a conflict.

The Ford Truck Arena will take precedence on the schedule. The Mustang Arena, then Pavilion will take precedence after the Ford Truck arena.

Judging

Each class judged by four judges will have the lowest placing of the four judges eliminated for each horse. Each class judged by three judges will use all three placings to determine the final placings. When two or more classes are run concurrently, each class will be placed separately for the purpose of point distribution in calculating class placings. In the event that the judge submits an overall placing card, show management will transfer the Limited division to the appropriate card so long as the classes are placed separately for point tabulation and recording. The designated tiebreaker judge will break all ties. Decisions of the judges will be final.

YEARLING SALE GRADUATES

Markel Insurance Breeders Championship Futurity Yearling Sale

The Markel Insurance Breeders Championship Futurity Yearling Sale is a limited consignment sale designed to bring many of the nation's top yearlings to public sale. The sale is only open to yearlings enrolled in the NSBA Breeders Championship Futurity and/or Color Breeders Championship Futurity. The sale is held in conjunction with the NSBA World Championship Show each year.

Proceeds from the sale are used to fund a purse exclusively held for sale graduates. Sale graduates are then eligible to compete for the purse at the Breeders Championship Futurity in their two or three year old year.

In order to compete for the additional purse, horses must be consigned and sold through the Breeders Championship Futurity Yearling Sale.

The Markel Insurance Breeders Championship Futurity Yearling Sale will take place on Friday, August 16 at 5:00 p.m., with a preview of all consigned yearlings on Thursday, August 15 at 5:00 p.m. at the Built Ford Tough Livestock Complex in Tulsa, Oklahoma.

Yearling Sale Graduate Declaration Procedure & Rules

To be eligible for the Yearling Sale Alumni Purse, horses must be a 2022 or 2023 Yearling Sale Graduate and be entered in a Breeders Championship Futurity or Color Breeders Championship Futurity class.

Declaration forms for all Graduates can be found on the back of the Graduate Certificate. Owner and exhibitor information including NSBA membership numbers are required in order to complete the declaration form.

Sale Graduates may select only one two year old or one three year old class for the Yearling Sale Alumni Purse and once a declaration is received it is considered official and no other changes will be accepted. Declaration of the Breeders Championship Futurity or Color Breeders Championship Futurity class must be completed at the sale office no later than 5:00 p.m. the day prior to the scheduled class.

A Yearling Sale Graduate Certificate of Eligibility will need to be presented at the time of entry. A \$45 charge will be incurred for a duplicate certificate.

Owners and exhibitors are responsible for knowing which Breeders Championship Futurity or Color Breeders Championship Futurity class they are entered in. If the sale graduate is not entered in the Breeders Championship Futurity or Color Breeders Championship Futurity class that is declared, the horse will be automatically disqualified and ineligible to compete for the Yearling Sale Alumni purse.

Sale graduates must place in the top ten of their declared Breeders Championship Futurity or Color Breeders Championship Futurity class to be eligible for the Yearling Sale Alumni purse. Money will be calculated based on the number of declared sale graduates placing in the top ten and distributed accordingly.
