

This is a list of the total number of stalls purchased for each stalling agent for the 2024 NSBA World Championship Show.

The sole purpose of this document is to allow the agents to confirm/modify the total number of stalls needed. If any additions need to be made, please add stalls using this link: www.nsba.com/stall-reservations OR email stalls@nsba.com and provide the agent's name, payment information and the requested adjustments.

All requests must be made in writing. Stall fees are non refundable. *Changes will be not accepted over the phone or text.*

Please provide all changes by Friday, July 12 in order for stall assignments to be completed. We will do our best to accommodate changes submitted but cannot be guaranteed after July 10.
