*"Commitment to Integrity"*

## **MARKEL INSURANCE BREEDERS CHAMPIONSHIP FUTURITY YEARLING SALE**

---

Beginning with the very first year of our sale, NSBA's goal has been to provide a quality sale with a commitment to integrity while continuing to promote the industry. Then, as an NSBA member and now as your president, I am proud of our management team as we continue to look for ways to strengthen this commitment.

To that end, consignors were given the opportunity to voluntarily submit radiographs of their yearlings for the 2024 Markel Insurance Breeders Championship Futurity Yearling Sale in return for improved placement in selling order. Offering this provision voluntarily provides consignors time to adjust to the changes that will be required beginning with the 2026 sale. For more information, refer to the sale conditions found on page 240.

Horses sold through the sale have the opportunity to compete for an additional purse generated from the Markel Insurance Yearling Sale in any of the Breeders Championship Futurity Classes offered. The additional purse is distributed in their two year old or three year old years. Sale graduates will compete for an additional \$214,558.25 in 2024 in any single BCF or Color BCF classes offered for two or three year olds. To date, an additional \$1,506,500.50 has been generated for graduates of the sale.

The success of this sale is made possible by the many members and breeders who bring yearlings to the sale ring and by NSBA members who continue to pursue their winning dreams with the outstanding horses purchased through the sale. NSBA appreciates the support of all its members and that of Markel Insurance Company, the title sponsor for the sale.

Please join us on Thursday, August 15 for a sale preview at 5:00 pm and on Friday, August 16 at 5:00 pm for the sale. Come early, get a seat and enjoy a dac®-sponsored Welcome Reception with cocktails and hors d'oeuvres as the finest set of yearlings are brought to the sale pen.

The National Snaffle Bit Association is proud to bring an outstanding group of yearlings for your consideration at the 2024 Markel Insurance Breeders Championship Futurity Yearling Sale.

See you at the sale,

Kevin Dukes

**MARKEL**

Products and services are offered through Markel Specialty, a business division of Markel Service Incorporated (national producer number 27585). Policies are written by one or more Markel insurance companies. Terms and conditions for rate and coverage may vary. Markel® is a registered trademark of the Markel Corporation.

The 2024 Markel Insurance Breeders Championship Futurity Yearling Sale is held in conjunction with the National Snaffle Bit Association (NSBA) World Championship Show. These Conditions of Sale form a contract for the sale and purchase of the consigned yearling. These conditions are binding even if you have not read them. The Conditions of Sale state the protection a buyer receives as well as the responsibilities of the buyer, seller and the National Snaffle Bit Association (NSBA) Sale Management. Sale Management is conducting this sale in accordance with, and all acts of interested parties and/or claims by them are governed by, the following conditions of sale.

**FIRST - APPLICABLE LAW:** All yearlings in this sale are offered according to the laws of the state of Oklahoma wherein the sale is conducted. Any consignor, bidder, buyer, agent and any other person having anything to do with this sale agrees that any dispute arising as a result of any occurrence having to do with any consignment or sale shall be subject to the jurisdiction and venue of the State and Federal Courts in Parker County, Texas. The right to bid is reserved for all consignors unless otherwise announced.

**SECOND - WARRANTY IN GENERAL:** There is no warranty expressed or implied by the Sale Management, auctioneer, sponsors, owner or consignor, as to the performing soundness, merchantability or fitness for any particular purpose of any yearling offered in this sale. All yearlings are sold "as is" with all existing conditions and defects except as set forth in conditions third, fourth, fifth and sixth below. Buyers should examine yearling(s) prior to purchasing.

**THIRD - WARRANTIES AS TO SOUNDNESS:** Unless an announcement from the auction stand, Sale Management Catalog, or as hereinafter provided, there is no warranty or guarantee of any kind as to the soundness or condition or other quality of any yearling(s) sold in this sale. **THE BUYER HAS THE RESPONSIBILITY TO EXAMINE THE YEARLING(S) BEFORE BIDDING.**

**FOURTH - LIMITED WARRANTIES:** Any yearling(s) unsound in eyes or mouth, (including but not limited to: "cribbers," "wind suckers," "cryptorchids," "ridgling", etc.) or displaying any other defect and/or blemish, must be so announced. Consignor/Agent further agrees to disclose if said horse is being administered any medication(s). Veterinary services are available to bidders for pre purchase examinations; each bidder is encouraged to conduct such inspection and examination of each yearling prior to the sale by a veterinarian at a mutually acceptable time to the owner. Prior to the sale, a prospective bidder may also have a veterinarian inspect all radiographs/disclosures placed in the repository related to the horse to the extent such records have been provided by the owner. Digital radiographs remain the property of NSBA and are not available for viewing after a horse has sold. The Consignor of each yearling represents and warrants to the buyer that the yearling is free from all adverse claims to ownership, use or possession. The Consignor sells each yearling without warranty and with all faults. In the event that any yearling is (a) not as represented in the Sale Catalog or, (b) breaches the foregoing limited warranty (c), or if the auctioneer fails to announce any modification to the Sale Catalog or limited warranty, the buyer shall file with the Sale Management a written notice rejecting the yearling. The written rejection is to include a veterinary notice certifying the conditions for rejection within twenty-four (24) hours after the close of the Sale or before removal of the yearling from the sale grounds, whichever is sooner. Upon Sale Management approval that the rejection is in the manner and within the time line provided, the buyer will return the yearling to the Consignor and Sale Management will refund to the buyer the full purchase price on behalf of the Consignor. The Consignor will also refund to the buyer all reasonable expenses incurred by the buyer in connection with the yearling from the fall of the gavel until return of the yearling to the Consignor. The Consignor will be charged the commission on the price achieved in the sale arena.

**FIFTH - CONSIGNEE STATUS:** The Sale Management is operating as an independent contractor engaged in the business of conducting a consignment sale. The Sale Management has compiled the Sale Catalog from information provided by the designated consignor. All announcements made by the auctioneer at the time of sale on behalf of the designated Consignor will take precedence over the printed provisions in the Sale Catalog. In the event of any dispute between the buyer and the consignor, the Sale Management will occupy the position of agent for a disclosed principal and stakeholder. On delivery of any property or funds held by the Sale Management to the Court having jurisdiction of such dispute, there are no obligations by the Sale Management to the Consignor or the buyer. The Sale Management makes no representation or warranty with respect to any yearling and the buyer must look solely to the designated Consignor for recovery of any damage due to the failure of any representation or limited warranty.

**SIXTH - CATALOG AND ANNOUNCEMENTS:** The Consignors represent yearlings catalogued in this sale. Neither the Sale Management nor the auctioneer is responsible for the accuracy of information

provided. The Consignor has provided all information other than that which is provided by a pedigree service. Notice to the Sale Management prior to the sale of any modification to the sale catalog or limited warranty is the responsibility of the consignor or its designated agent. Further it is expected the consignor or agent must make publicly and immediately known to the auctioneer the changes should there fail to be an appropriate announcement from the auction block prior to or during the sale of their yearling. It is the sole responsibility of the consignor or their designated agent to verify the accuracy of the information and to notify the auctioneer of any corrections.

**SEVENTH - BIDDING PROCEDURE:** All buyers must obtain a bidder's number prior to bidding. All buyers will present a valid driver's license and sign a statement of their acceptance to the Conditions of Sale. The person making the highest bid recognized by the auctioneer shall be the buyer. The auctioneer shall immediately present the buyer with a document entitled Acknowledgment of Purchase for signature. It is the responsibility of the buyer to confirm the correct hip number and price before signing. Clearly print name and address, since this document is used for transfers, invoicing, and in publishing sale results. In the event the buyer does not sign the Acknowledgment of Purchase prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to the auctioneer as the buyer and sign the Acknowledgment of Purchase. In the event that a person other than the recognized buyer or authorized agent signs the Acknowledgment of Purchase, such action shall not give the other person any right or title to the yearling. Immediately upon the auctioneer learning of the erroneous signing of the Acknowledgment of Purchase, he shall present the Acknowledgment of Purchase to the recognized buyer for signature. If the highest bidder fails to sign the Acknowledgment of Purchase immediately or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Sale Management reserves the option to resell the yearling and such resale shall terminate all obligations of Sale Management and the consignor to honor any prior bid.

**EIGHTH - BIDDING DISPUTES:** Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the auctioneer or Sale Management have the same stature as bids received by the auctioneer. In case of dispute, the auctioneer will reopen the bidding for advance bids, and if there are no advance bids, the person recognized as the last bidder by the auctioneer is the buyer. Advance bidding shall be restricted to the disputing parties. Bidding is open to all if the bidding is below the level of the recognized bid at commencement of dispute. The auctioneer reserves the right to reject any or all bids.

**NINTH - OWNERSHIP AND DELIVERY:** Ownership and responsibility for the yearling(s) passes to buyer at the fall of the gavel. All risk of injury and responsibility for the yearling(s), including care for the yearling becomes the buyer's risk at that time. All consignment documents, including but not limited to registration papers, BCF certificate, and health certificate will be held until the buyer makes settlement as provided in Condition Ten (10) below. Buyer shall immediately present himself or herself to make settlement within sixty (60) minutes of the conclusion of the sale. Upon settlement by the buyer, the yearling(s) will be released by Sale Management to the buyer or his or her authorized agent. Taking possession of the yearling by buyer or his or her authorized agent shall constitute release by Sale Management. Upon release, the buyer will remove the yearling from the sale premises by noon of the day following the sale, or make specific provisions with Sale Management. Removal of all yearlings from the sale ground is required no later than 6:00 pm CST August 20. In addition, should the purchaser fail to remove their yearling(s) in accordance with the conditions of the sale, the Sale Management may remove yearling(s) from the sale premises at the buyer's risk and expense. The Sale Management expects the consignor and buyer (or their authorized agents) to meet as soon as practical after the fall of the gavel in order to make certain of the continued care and welfare of the yearling(s).

**TENTH - TERMS FOR SETTLEMENT:**

1. *Method of Settlement* - No later than one hour from the conclusion of the sale, the buyer shall make settlement with the Sale Management Cashier for the full purchase price, and any sales tax that may be due and owing as determined by the State of Oklahoma and Tulsa County. Buyer will be assessed a penalty fee of \$100 if they fail to settle one hour after the conclusion of the sale. Payments to others, including Consignors or their authorized agents, do not constitute settlement. The Buyer shall present himself or herself to make settlement as provided in Condition Nine (9) above. All settlements shall be in U.S. Currency or checks drawn on U.S. Banks ONLY. Methods of settlement are cash, cashier or certified check, personal check with picture identification such as valid driver's license or passport, traveler's checks, MasterCard, Visa, Discover or American Express. The Acknowledgment of Purchase is not transferable without the approval of Sale Management and the buyer must present a copy of the Acknowledgment of Purchase retained by the buyer at the time of settlement. All registration papers will be held by the sale management until all

checks clear the bank.

2. *Buyer's Premium* – This additional fee is required of the buyer above the acknowledged purchase price. The buyer's premium is 5% of the purchase price or \$250 whichever is greater.

**ELEVENTH - DISCIPLINARY ACTION:** Any consignor, agent, buyer or other individual or entity not abiding by the terms of these Conditions of Sale shall be subject to disciplinary action as set forth in the NSBA Rule Book.

**TWELFTH – SALE ALUMNI PURSE:** The Sale Alumni Breeders Championship Futurity purse will pay 90% of the alumni purse earnings to the owners of the alumni earning payment. The Consignors of these alumni purse earners will receive 10% of said earnings. To be eligible for the Alumni purse a yearling must be entered and be offered through the sale ring.

**THIRTEENTH – Admission to the premises constitutes your agreement to be photographed filmed videotaped or otherwise recorded in connection with the shows sale and other related activities held in conjunction with the sale.**

### NOTICE TO CONSIGNORS

Consignors must submit original breed registration papers, a signed transfer, and the Breeders Championship Futurity certificate at the time of consignment. Sale Management must receive an original negative Coggins test and original health papers at check in to the sale premises. Failure to comply will result in withdrawing the yearling(s) from the sale and Sale Management will retain the consignment fee(s).

Sale Management will assign stalls and hip numbers and the consignor may not change them. Hip numbers must be on yearlings when going through the sale ring. Hip numbers (lot orders) for this sale will be determined by using the first letter of the second dam's name, starting with "K" in 2024 and dropping five letters each subsequent year. Additionally, consignors willing to voluntarily submit radiographs of their yearling(s) to the repository, will make said yearling(s) eligible to be placed after the first 15 hip numbers and before the last 15 hip numbers. In the event that more yearlings submit radiographs than the number of available hip numbers for yearlings with radiographs, hip numbering will be done in accordance to the Conditions of Sale. Sale Management will make a random draw prior to assigning hip numbers to determine the beginning letter for the alphabetical assignment of the hip number. For example, if the letter M is drawn, the consignments whose second dam's name begins with M will be the first hip numbers and those with L in the same name will be last. Consignors are responsible to ensure accurate and complete information is available for the auctioneer no later than 5:00 pm CST the day prior to the sale. A Consignors meeting will be held prior to the sale to inform Consignors of sale day procedure, exact time to be announced at complex. When assigning an Authorized Agent, the consignor must complete an Authorized Agent Form and submit it with required consignment documents.

The seller will furnish a halter and lead rope with all yearlings sold.

### NOTICE TO BUYERS

Buyer has the responsibility to examine the yearling(s) and any and all documents regarding DNA results before bidding. Breed registration papers are available for review with the sale office.

Veterinarians are available on the sale grounds.

Prior to the sale, a prospective buyer may also have a veterinarian inspect all radiographs/disclosures placed in the repository related to the horse to the extent such records have been provided by the owner.

A Buyer's Premium is an additional fee that is required of the buyer above the acknowledged purchase price. The buyer's premium is 5% of the purchase price or \$250 whichever is greater. Only yearlings that have been sold through the sale ring are eligible for the additional NSBA Breeders Championship Futurity Sale Graduate purse.

The Breeders Championship Futurity Certificate and breed association transfer fees are the responsibility of the buyer at the time of settlement. An NSBA membership is required for all horse purchases.

Buyers and spectators are cautioned to be careful while on the grounds.
